

Fruit Orchard Donation Campaign

Butler Township 'Human Nature' Community Garden

Yes, I would like to help plant an orchard!

Your generous donation will help fund the planting of fruit trees and shrubs at the Butler Township Community Garden. Give the gift that keeps on giving!

These plants will provide fresh fruit to our community (especially kids in our summer camps), and educational opportunities through hands-on demonstrations and workshops.

Donated plants will be installed in the Spring of 2012 (on or around Arbor Day).

You choose what you'd like to see planted.

Make your donation in "honor" of a friend or family-member!

1. Name: _____ **2. Date:** _____

3. Address: _____

4. Email: _____

5. This Donation is in Honor Of (list name): _____

6. Fruit Tree Donation (\$50/each):

_____ Apple _____ Pear _____ Peach _____ Apricot _____ Cherry _____ Plum
